

A visit has been arranged for Saturday, 10th June, to The Green Planet, Dubai City Walk. A resident biologist will lead us on our tour of the following layers of a rainforest:

The Canopy
The Middle
Forest Floor
Flooded Floor

The tour of all floors (wheelchair-friendly) will take approximately two hours in duration and we will meet the variety of creatures that inhabit the different layers.

We qualify for a discounted rate of 85.50 dirhams per adult and 63 dirhams per child.

This is a newly developed area of Dubai. Residents that have been in Dubai for some time, may recall that this area has been developed on the site of the old prison.

This trip is limited to 20 people. Please send names of all participants in your party, including children, directly to Margaret Swan at gazelleeditor@gmail.com

We will meet at 2pm at the venue (please note that 2pm is the Ramadan opening time on Saturdays). Further details will be sent to participants at a later time.
