

DNHG Wadi Shuwaiyah Walk
Friday 31 January 2014

Liz Maley-Craig will take a group of DNHG members on a full-day trip to explore one of her favourite wadis. This is a repeat of Liz's January walk and people from the January waiting list will have priority.

The walk will be an easy one through the wadi with many stops to explore. We will visit the ruins of an old village and old abandoned fields. The graveyard was unfortunately destroyed. There is a wonderful swimming hole and the remains of the old falaj system and terraces. We will stop at swimming hole for a swim and for picnic lunch.

Bring packed lunch, snacks, drinks for the day (at least 2-3 litres per person), swimming gear, walking shoes, hat, sunglasses, sun cream and camera.

Bring your ID AND Passport and make sure that you have Omani car insurance.

The group will be limited to a maximum of 8 cars.

4WD is recommended. Car sharing is encouraged.
