DNHG trip to Slovenia from Friday March 31 to Saturday April 8, 2017

Coordinator - Sonja Lavrencic at lavson@gmail.com

Trip Description

Slovenia is a small independent country in the heart of Europe with only 2 million inhabitants, who have managed to preserve their culture and language despite millenniums of foreign domination. Previously one of the six republics of Federal Yugoslavia, Slovenia has been independent since 1991, been part of the European Union since 2004 and has adopted the Euro as a national currency in 2007.

Despite its small size, Slovenia is a country of significant biological, geographical, climatic and cultural diversity: Alps, Mediterranean, Pannonian Plain, Karst, rivers, forests, lakes and caves. It is a place where Slavic, Romanic, Germanic and Hungarian cultures and languages meet.

During our intense 9-day tour of Slovenia we will visit all the most important sights, as well as some hidden gems of this country. Some of the highlights are in the attached programme.

The number of participants is limited: min 8 and max 19.

Cost of the trip will depend on the number of participants: from 1200 to 1500 euro per person sharing a twin/double room.

Single room supplement: 200 euro (single rooms are subject to availability).

The above cost includes: all the transfers and transport cost, English-speaking tour guide, local guides and nature experts, all the entrance fees (as per the programme), all meals including traditional dinners, typical fish dinner on the coast and few wine tastings, 3 or 4 star hotels (as per the programme), 1 litre of water per day per person.

The cost excludes all extras, tips and air ticket.

(Euro is low at the moment which makes this trip good value.)

There are no direct flights from Dubai to Slovenia (Ljubljana). We will look for an appropriate flight closer to the date, either with Fly Dubai to Zagreb, Austrian to Vienna or Turkish Airlines through Istanbul to Ljubljana. The cost of the ticket should not exceed 500 euro.

Easter holiday is considered high season in Slovenia and we will need to book relatively early. 500 euro prepayment will be collected to secure the booking.

If less than 8 participants apply we will cancel the trip (or recalculate the cost).

At the moment we are assessing if there's enough interest to proceed with this trip.
